Supine Foot Positioner

Supine Head Positioner

VascoCare Medical has introduced innovative new Supine Positioners to the EVOLUTION Patient Positioner Range. These provide enhanced pressure relief with a proven anatomical design.

Features

- Unique and innovative design that **redistributes weight of the patient's body and provides enhanced pressure relief** compared to regular Patient Positioners.
- The positioners are made from two components. The inside of the product is comfortable **Visco-elastic foam**. The outer coating is a **seamless, non-porous Dual Coated Hi-Tech Membrane** with high tear strength making it a very robust product.
- The outer coating has **Excellent Abrasion Resistance** and is **Puncture/Burst Resistant**.
- It has excellent flexibility that **improves conformity to the skin**.
- Provides **Zero Interface Pressure** under the Bony Prominences.
- High strength bond between foam and coating creates an ultra strong laminated structure for a **long life product**.
- The outer coating provides an excellent **fluid-proof barrier without any seams** or other **bacteria harbouring features on the outer surface**.
- Completely **Latex free**.
- **Compatible with CT Scanners** as these do not cause artefacts.
- Head Positioners provide **excellent Neck Support and Head Stability** compared to regular Head Rings.
- Foot Positioners provide **excellent Foot Support with Zero Pressure under the Heel** compared to regular Heel Pads.
- Competitively priced to make it a **cost effective option** against regular positioners.
- **Two Year Product Warranty**.
